Simon Parkes is a life long experiencer of aliens, shadow people, elementals and ufo's, these include Mantid (Mantis) beings, Draconis Reptilian, Feline, small and tall Grey creatures, Crystalline beings and other creatures that can't be identified. Simon was an elected Politician and served a full term of office.

Simon's **biological** mother worked for the **British Security Service, often called** MI5 between 1965 - 1979. However while she was managed by British Intelligence she was in fact working **"jointly" for the National Security Agency (NSA) of America.** *Her job was to type out documents that related to crashed ufo craft that had come down all over the Earth's surface and had then been retrieved by American special forces/recovery teams.*

Simon's Grandfather, *who was a British diplomat,* worked for the foreign arm of British intelligence often called MI6. *But again in his case he was closely associated with the Central Intelligence Agency (CIA) of America.*

During this time he was awarded the **Order of the British empire (OBE) medal as well as the Commander of the British Empire (CBE)** medal, however he turned down a Knighthood **from the Queen. Simon's Grandfather was also a prominent Freemason and was Britain's appointed diplomat to the United Nations in the late 1950's and early 1960's .**

Simon grew up in a family that had links to British and American intelligence.

Simon's mother worked for Mi5, however while she was managed by mi5 she was in reality working for the NSA.

Simons Grandfather was *employed by the Secret Intelligence Service,* better known as Mi6 *in reality he was reporting to the CIA.*

Simons Grandfather was also a British Diplomat, holding the position of Vice Consul and then Consul of the British Embassy in Pondicherry (Puducherry) India.

While in India he was awarded the OBE and CBE medals and turned down a Knighthood.

In 1936 he was one of - The Wise Men of Twelve - or called The Jury of twelve - who voted on the question regarding King Edward VIII and if the King should be removed regarding Special Branches uncovering of a Nazi plot to infiltrate the King. (had nothing to do with wanting to marry a divorcee).

Over a secure teleprinter link he was asked in code . should the King go. or should he stay?

have suffered torture and trauma, many from MILAB situations. Simon is able to re-integrate any alternate personalities that the individual may have, remove any Jinn/demonic possession and "de-activate" any suicide programmes placed in the person.

On a lighter note Simon also does Soul readings, where in most cases is able to identify the individuals soul/star family background. A reasonable fee is charged for these services - Simon is offering a nearly unique service and places the highest value on client confidentiality - having helped people from many countries and from widely differing backgrounds, from college students to employees of the Rothschild's. Simon understands the critical nature of his de-programming/healing/soul reading work and the support that his clients need.
